

# Academic Supervisor

One of Faculty or Assistant is assigned as a supervisor for each new comer at the beginning of Academic calender.

Academic Supervisor: is Faculty member, that the students consult either about registration or any other subjects. Supervisor traces the students improvements and leads to him for his/her career

Supervisors are assigned on Student Information System (OBS)

At the beginning of each semester, during the registration period, the students should to select the courses they want to take through OBS. The supervisor should check the courses and approve for completing registration

Enables students to fill "Student's Advisor Evaluation Questionnaire" for each year.

The academic supervisor fills and evaluates the "Supervisor's Student Assessment Questionnaire" for each year
